The Van Dyke Foundation is a non-profit charitable organization that engages its community through philanthropic projects. Inspired by the spiritual richness of Western Michigan, the Van Dyke foundation came together as a way to give back to the community that God gave them.

Dan Van Dyke had a passion for community service. Whether it meant spending time with the Wyoming Chamber of Commerce or one of his many volunteer positions at church serving others was not just something Dan did, it was who he was. The Dan Van Dyke scholarship will be awarded to students who demonstrate this level of compassion for the community they live in.
